**Keenly attuned to the world's Fashion, Beauty,
Entertainment, and Simple Wellness philosophies. Robey
Taute is the hottest new speaker in America...**

Robey is a fresh new face on the scene of celebrity speakers for wholesome, healthy living worldwide. His unique perspective on the world and his amazing book on 'The Simplicity of Wellness' have uniquely positioned him as a spokesman in this industry. Hailing from the world's entertainment capital, Las Vegas, Nevada. Originally from South Africa, Robey brings an international flair for wellness AND the excitement of the beauty and fitness era we live in.

Creating Excitement Is In His Blood

A gifted, extremely popular speaker, and the subject of a new book on the “Simplicity of Wellness,” Robey has participated as a celebrity judge and speaker for many years throughout the world including Mr. & Mrs. South Africa, Miss Beverly Hills, Mrs. & Ms. Nevada America, Mrs. World, Miss USA, as well as Miss Fabulous Las Vegas, and Mrs. America 2021. He has achieved a tremendous following as a celebrity Speaker and judge and takes this role very seriously. In addition to being a sought personality in major venues and events, Robey, with his charming Dutch/American accent, has proudly performed classical concerts on the world stage, most recently, providing the musical backdrop for the Mrs. World in Las Vegas at the Westgate, formerly known as The Hilton, on the exact spot that Elvis Presley once performed, while beautiful women from around the globe flowed past his piano in beautiful gowns.

Current Television

Robey is a regular feature on many major television primetime news shows, including Fox News, CBS, NBC & ABC. His most recent appearance features UFC legend and client of Madame et Monsieur, Dewy Cooper, along with some of the biggest names in the UFC and MMA fighting circles.

Gifts Beyond Health & Beauty

Robey is a gifted pianist. You have only to ask, and he will gladly sit and play for you on one of his beautiful show-piece grand pianos sitting right in the middle of his Las Vegas salon headquarters. The other of his pianos adorn the sitting room of his beautiful home in Green Valley (a suburb of Las Vegas, Nevada). He has been playing music since the age of 6 and loves to entertain people with his music. He has been compared to the great pianist/entertainer Liberace. In fact, on many occasions, Robey has played one of Liberace's actual pianos in front of large groups of people. Robey obviously enjoys keeping healthy and fit and works out regularly at his local gym. He also enjoys dancing and traveling abroad. He is often called upon for his fashion sense. He finds ways to liven up even the most mundane, with his ability to assemble the most exciting and inspired clothing combinations. Robey is a Renaissance man.
